### **“Brock White Company LLC completes acquisition of Northland Brick and Fireplace Supply of Baxter, Minnesota”**

*St. Paul, MN – March 30, 2007*

Brock White Company is pleased to announce the acquisition of the Northland Brick and Fireplace Supply based in Baxter, MN. The purchase further expands Brock White’s construction products distribution business into the greater Brainerd Lakes area.

Brock White Company, LLC is a leading construction products distributor that provides Minnesota, North Dakota, South Dakota, eastern Wisconsin, and much of central and western Canada customers a wide variety of specialty products through 18 existing offices of which eight specialize in natural stone, brick and Cultured Stone® products similar to Northland Brick & Fireplace.

Northland Brick will operate as Brock White Company in Northland’s Baxter location and will continue to provide the finest fireplaces, natural veneer stone, Cultured Stone®, brick, and landscaping products. Brock White’s construction specialty products will also be available through the Baxter location.

Northland’s sales, service, and support staff will continue with the expanded Northland/Brock White business operation. Scott Koopmeiners, Brock White’s St. Cloud Branch Manager and Merry Rohloff, Northland’s former Office Manager will lead the Baxter operation. Al Steiff, the long time owner of Northland Brick, will remain on staff as a part-time consultant.

For additional information about Brock White Company or Northland Brick and Fireplace go to:
